

Table with columns for ID, Project Name, Location, Activity, Budget, Status, Date, and other details. The table contains multiple rows of project data across various categories and locations.

Table with columns: ID, Project Name, Description, Status, Date, and other details. The table lists numerous construction and renovation projects across various municipalities in the Balearic Islands, including Mallorca, Menorca, Ibiza, and Formentera. Each entry includes a unique project ID, the project name, a brief description of the work, the current status (e.g., 'SEBYPRO', 'SEBYSEM'), and the scheduled start and end dates. Some entries also include specific dates for completion or key milestones.
